(with Files I & III) In this case Government have accorded sanction to the disforestment of an area of (42-6-0) out of S-No. 267A1 of Balikop for residential purpose.

After deducting the area of 4-0-0 already disposed of for fruit cultivation from the area of (46-6-0) recorded in V.F.R. of Balikop against S-No. 267A1, Government had accorded sanction for the disforestment of an area of (42-6-0).

The D-9-d.R. states that, on actual measurement, the total area of S-No. 267A1 comes to (48-24) as against the area of 46-6-0 recorded in V.F.R. and after deducting the area of (4-0-0) already disposed of for fruit cultivation the area of 44-24-0 will be available for residential plots; and he has prepared sketch in

Publication of draft notification of the ..

In submitting herewith the correspondence received under the Forest Settlement Officer, Kanara's endorsement No.2/8/497 of 22-3-1958, I have to state as under:-

The Government of Mysore under their order No.AFD 26 D.S.T.57 dated 12-12-1957 have accorded sanction to the disforestment of an area of 42-6-0 out of F.S.No.267A1 of Balikop village in Siddapur taluka for residential plots in this village(Kindly vide copy of Government order at page 115). Accordingly, the Forest Settlement Officer, Kanara, was directed to prepare the requisite draft notifications. But the District Inspector of Land Records, Kanara, has reported that the total area of F.S.No.267A1 comes to A.G. 48-24-0 as against the area of 46-6-0 recorded in V.F.I-A (on actual measurement of the area) and that after deducting the area of 4 acres already disposed of for fruit cultivation, the remaining area that is available for residential plots is A. G. 44-24-0.

The Forest Settlement Officer, Kanara, has accordingly prepared the requisite draft notifications for the area of 44-24-0 and enclosed at pages 151 to 163 of the correspondence with

P.T.O.

a report that necessary sanction for the disforestment of an area of 44-24-0 instead of 42-6-0 may be accorded (page 167).

In the circumstances, Government may please be moved to accord necessary sanction for the disforestment of an area of 44-24-0 instead of 42-6-0 and then to publish the draft notifications in the Government Gazette and the correspondence returned to this office direct for taking further action.

2. An area of 42 acres, 6 gunthas was sanctioned by Government in their order No. AFD 26 DST 57 dated 12-12-1957 (P-115 of the enclosed file) out of F.S.No. 267A1 of Balikop village in Siddapur Taluka, for residential plots. But on actual measurement by the District Inspector of Land Records, Kanara, it is reported that the total area of the said F.S.No. comes to 48 acres and 26 gunthas as against the area of 46 acres 6 gunthas as recorded in V.F.IA. The reasons for the difference in the area are given in the District Inspector of Land Record's endorsement No. Sd.MR-231 of 58 dated 17-3-1958 (P-147 of the file) which may kindly be perused. After deducting 4 acres already granted for fruit cultivation from out of the F.S.No.267 A1, the actual area available for residential plots ~~for~~ as per measurement, comes to 44 acres 24 gunthas. The Deputy Commissioner, Karwar, has, therefore, requested to sanction an area of 44 acres 24 gunthas instead of 42 acres 6 gumthas and to publish the draft notifications (P-151 of the file) for disforestment in the Mysore Gazette. I agree with the Deputy Commissioner.

The papers of the case (Pages from 1 to 171) are enclosed.
